St. Timothy's Gridley — We send out an e-mail each Saturday giving instructions on how to view worship on-line and providing worship materials, as well as comments from the Priest-in-Charge. We also do a zoom coffee hour, which we've been able to extend to a member in Skilled Nursing. Other e-mail news letters as required.

From Anne Pierson to Everyone: 08:48 AM

At Christ Church, Eureka - Creating a phone tree, making sure no one is left out. Checking to see if there are needs, problems accessing services, possibly lacking a computer or smart phone, etc..

From Bob Wohlsen to Everyone: 08:49 AM

Fun topics can be a book, a nick knack from your shelf

RE-GATHERING:

From Randy Knutson to Everyone: 08:50 AM

Mendocino County Order goes through May 10, BUT Bay Area Counties just extended SIP order to the end of May, so that is probably what will happen here.

From Bob Olsen to Everyone: 08:50 AM

We are doing Zoom Sunday School and Zoom Coffee hour at St George's. We've started mid-week Good Book Club and added a mid-week Morning Prayer via Facebook live to our Sunday Facebook Live service. Throughout the week we send out materials for the services/study group so folks have everything they need to join in the service etc.

From John Harris to Everyone: 08:51 AM

Will “opening day” be the same throughout the Diocese, or will it depend on the locality, i.e. rural areas vs. metropolitan?

From John Miller to Everyone: 08:51 AM

What about Gov. Newsom's standard that there be effective treatment?

From Matt Warren to Everyone: 08:52 AM

If the state allows for differentiation in phased reopening, will the Diocese also allow different regions to open? Plumas County has only had 4 cases, all of whom have recovered.

From John Harris to Everyone: 08:53 AM

Similar situation in Butte County — leveled off at 16 cases.

From Cliff Haggenjos to Everyone: 08:53 AM

When we do open up, I'm not thinking that one approach will work for all. Similar tour worship services, each reopening will need to be considered at the local level.

From Rod Davis to Everyone: 08:54 AM

Should we be encouraging people to keep a “daily journal of contacts” that we can turn to if asked by health officials?

From Annie Mertz to Everyone: 08:54 AM

I'm thinking it's likely that we'll add more services to spread folks out. And as a bonus, it's an experiment with new worship times!

From A guy in the Backyard to Everyone: 08:54 AM

Reopening will not, however, mean gathering as usual.

From James Richardson to Everyone: 08:54 AM

Agree with Cliff. We are looking at very specific challenges for our location, and I see this as opening in stages — and no time soon. Pews are major challenge for us.

From A guy in the Backyard to Everyone: 08:55 AM

We need Almy to market liturgical season masks.

From Barbara Elizabeth to Everyone: 08:55 AM

Thanks cliff for modeling for us!!

From Anne Pierson to Everyone: 08:55 AM

Take images during this transition. This will be part of our church history in the future.

From Andrea McMillin to Everyone: 08:55 AM

@Jim: I am hearing that pews are an advantage - family groups may sit together, and each family group six feet apart. Blue painter's tape marking six feet markers on the pews. We can figure this out!

From Anne Pierson to Everyone: 08:55 AM

Me is Anne Pierson, Christ Church

From James Richardson to Everyone: 08:56 AM

We will have block off every other pew so people aren't breathing on each other's neck.

From Bob Olsen to Everyone: 08:57 AM

Sorry, mine are in my cars

From John Harris to Everyone: 08:57 AM

Mine too!

From James Richardson to Everyone: 08:57 AM

I'm running out of coffee filters to put in my mask.

From David Foushee to Everyone: 08:57 AM

How do you wear a mask without fogging up your glasses?

From Cynthia Woods to Everyone: 08:58 AM

Thank you

From Barbara Elizabeth to Everyone: 08:58 AM

You need the small metal strip that folds around your nose...I find that homemade ones do fog up because they often don't have that closure capability

April 28, 2020 – Covid-19 /Leadership Call – Resources by topic with links
