The culture of St. Augustine is anchored in being open to trying new ideas and programs as our church community and the community around us continue to change. We are committed to who we are becoming and to the changes that keep us vibrant and strong. The Holy Spirit will continue to lead us! As we look to the future, our primary goal is to ensure financial stability, to continue to offer beautiful music and worship, to fund programs for Christian formation for all ages and to continue and add to our many outreach projects.

The commitment to being God's love in the world has kept this church on course through the tough times and the good times. Coming together to worship in the Episcopal tradition and reaching out to serve our neighbors near and far are the things that have shaped this community of faith over the years. We are followers of Jesus. Our devotion to God, our love of God and our service to our neighbors...these represent the legacy of St. Augustine.

We invite the rector who answers our call to join us on this journey! Our hope is that in these pages, that calling will resonate clearly in the heart and mind of our future rector.

- We seek a gifted preacher who will plan and lead worship using the best of our Anglican/Episcopal liturgies.
- We seek a rector who will guide us in continuing to serve our neighbors and community, and also guide us in cultivating more mature spiritual practices.
- We seek a rector who is also on a deeply spiritual path.
- We want our new rector to bring energy and skill to help us expand our programs for children, youth, and adults.

We warmly welcome you into this discernment process. We know that God has given you special gifts and experiences that are unique to you, and look forward to exploring what you might bring to this ministry that will strengthen and stretch us. We are praying for you, and ask that you pray for us, as we discern together our call at St. Augustine's and in the larger church. May the Holy Spirit guide us on our journey.
