

QUIET RETREAT FOR ADVENT
“PREPARE THE WAY OF THE LORD”

Advent offers us an opportunity to enter into the new year and prepare for the coming Christmas season with hearts and minds centered on the coming of our Lord in human flesh. Our preparations for Christmas need not only include purchasing and decorating, but also preparing and waiting on the birth of Jesus. Join us for a traditional preached silent retreat with time for personal and communal prayer, spiritual reading, reflection, and devotions. Treat yourself to time with God and make a way for the Lord of Life.

This retreat begins with a quiet meal and time for reflection on Friday evening, continues through Saturday with guided meditation and body prayer, and concludes on Sunday with an invitation to join St Nicholas’ Episcopal Church for Holy Eucharist and fellowship.
