

From Canon Andrea

Trinity Episcopal Cathedral and the Diocese of Northern California are excited to announce that we are accepting applications for Dean of Trinity Cathedral, Sacramento. In our previous search, we met and discerned with many exceptional candidates. Because of various unexpected twists and turns, we ended that search without making a call. Additionally, we are mindful that the process was congruent with the election and consecration of a new bishop, and all of the complexities of that time. Pausing for the holiday, we are now receiving names and will continue this discernment. We feel that God's timing is just right. The cathedral is in a time of stability as the church continues faithful ministry and the deep work of an interim period under the excellent leadership of our Interim Dean, The Rev. Jim Richardson. He, along with the Cathedral Vestry, Applicant Review Committee, and Bishop Megan all have a common sense of calm and peace about this pace and our unanimous decision to pause and reopen.

Bishop Megan Traquair is uniquely involved in this discernment process, in partnership with the Cathedral Vestry, and seeks applicants who are grounded in Holy Scriptures, passionate about our Episcopal liturgical and spiritual practices, and deeply prayerful. "I welcome the opportunity to join in ministry with a new dean at Trinity Cathedral. This is a special time in the life of our diocese, and at the start of my time here. My vision is for a collaborative, generative, and fruitful partnership between the cathedral and the bishop's office. I look forward to this time of discernment as we listen prayerfully for the Holy Spirit to guide us in this decision."

For more information: <http://www.norcalepiscopal.org/open-clergy-positions>

To apply, please send an introductory letter, OTM materials, a two page resume, and an essay articulating how your experience and gifts speak to the ministry goals and vision for the cathedral.

All materials should be saved as PDF and sent to:

The Rev. Canon Andrea McMillin
