### **Resolution of Thanks and Support for Ms. Lacy Broemel**

**Resolved** by the Diocese of Northern California of The Episcopal Church, in Convention, on the fourth day of November, 2017, in Sacramento, California, that this diocese expresses its heartfelt thanks for the presence of Ms. Lacy Broemel, Refugee and Immigration Policy Analyst Office of Government Regulations for the Episcopal Church in our midst during this Convention. We give thanks for your important work with refugees and immigrants who so desperately need our protection and support in this time of public division. Your presence reminds us that we are called to be mindful of our brothers and sisters throughout the world, and to find ways to work alongside of you in empowering these people who so often face persecution in their own lands. We ask you to continue to engage with us and our local and national public servants as we strive to influence public policy for just and humane migration policies.
