

Millennium Development Goals—Prayers for Al-Ahli Hospital in Gaza September 21, 2014

American Friends of the Diocese of Jerusalem – Awarded \$2,750

“Al-Ahli is an 80-bed hospital in Gaza City, one of the Gaza Strip’s three main population centers. With a total area of 139 square miles and a population of over 1.8 million people, Gaza is one of the most densely populated areas on earth” (“Supporting Episcopal Diocese of Jerusalem’s response in Gaza”, July 17, 2014, Episcopal Relief and Development). The church run hospital is one of 11 full service hospitals. According to the most recent update from the American Friends of the Diocese of Jerusalem, only 40% of the staff are able to get to work, and they have been working around the clock for two straight weeks to provide care to patients and refugees.

Please join us in this prayer:

God of love, whose compassion never fails, we bring before you the grief and perils of the peoples of Gaza; the necessities of the homeless; the helplessness of the aged and weak; the sighing of prisoners; the pains of the sick and injured; the sorrow of the bereaved. Comfort and relieve them, O merciful Father, according to their needs., and bless the healers of Al-Ahli Hospital. Amen
