

VESTRY REFLECTION WORKSHEET

Please complete the questions following as a way to reflect on the work of the Vestry, on your own contribution, and on the working relationship with the clergy-leader. Please bring these reflections with you to the MMR meeting. You won't be required to share them with anyone, but may wish to share insights from them with the group. If a question is unclear, please answer it as you want to – this is for your reflection and there are no "right or wrong" answers. You might not answer all of the questions – but we ask that you try to do so.

1. How would you describe your role on the Vestry? Would you like for your role to change in the coming year? If so, in what way?
2. In what ways have you been able use your gifts, strengths, and experience in your work on the vestry? Are there ways you would like to use them differently going forward? What might help you to do this?
3. Reflect on your experience of serving on the Vestry of this church. Please describe a specific time when you felt most alive, most involved, spiritually touched, or most excited about your work with the Vestry and the congregation.
4. What do you see as the gifts and strengths of this Vestry in the way it works together and with the clergy-leader to serve the congregation?

5. What do you see as the challenges to the vestry in working together and serving the church?

6. If you could change one thing about how the Vestry and clergy work together to serve the church, what would it be?

7. At the end of your term on the vestry, what do you hope you will be able to say about your service to the church?
