Note:

- Administrators are those who manage the organization which can include records and accounts. Vestry members are also considered administrators .
- Volunteers are only required to complete the Mandated Reporter training, Background Check, LiveScan Fingerprinting, and Sexual Harassment training if 18 years of age or older and have direct contact with, or supervision of, children for more than 16 hours per month or 32 hours per year.
- In determining whether an employer meets the threshold and is subject to the sexual harassment prevention training requirement, independent contractors, volunteers, and unpaid interns are also counted in addition to employees. For example, if an employer has 2 part-time employees and 6 volunteers, the employer would meet the threshold requirement and would need to ensure the 2 part-time employees complete the training. The 6 volunteers would not be required to do so but are welcome to. While volunteers, independent contractors, and unpaid interns are not required to take this training, employers might consider encouraging it as a best practice.
