Bishop Megan called upon The Rev. Richard Yale to present the Petition to Change the Status of St. Nicholas Episcopal Church From Special Focus Parish to Organized Mission

This Petition is addressed to the following officer and bodies of The Episcopal Church in the Diocese of Northern California

Bishop
Standing Committee
Board of Trustees
Convention,

And represents the following:

The Petitioner, The Rector and Vestry of St. Nicholas' Episcopal Parish in Paradise, California, established in 1950 as a mission congregation of this Diocese.

In 1950, Mr. Harold Milkin ran an advertisement in the local paper inviting people to meet who were interested in starting a mission of the Episcopal Church in Paradise. The group met on October 4, 1950, to organize and elect a mission committee. The new mission was named after St. Nicholas of Myra, patron of sailors and children. The first Episcopal service held in Paradise was the next day, October 5, 1950, in the Paradise Memorial Hall, with orange crates reportedly used as the altar. There were 60 people in attendance.

The Petitioner built their first church structure (a nave) in 1954 and was established as a parish in 1982. By 1985, the congregation had outgrown that first building, and so they built a new parish hall with new worship space, classrooms, and offices. In 1999, the current worship space was built with seating for 229 people, and was consecrated by Bishop Lamb on December 3, 2000.

The Petitioner experienced decades of growth, with attendance peaking in the years 1998-2000. Then, attendance began to decline, and by 2004, the congregation struggled to pay their apportionment and was not able to make regular payments on their building loans from the diocese.

In the last decade, attendance, plate and pledge all peaked in 2012, with an ASA 82 and plate and pledge of \$152,522.00. Since the Camp Fire in 2018 and the COVID-19 pandemic, in the year 2022, the ASA has now dropped to 9, with a reported plate and pledge of \$20,630.00.

These metrics of declining attendance and finances should not detract from the vital mission and ministry that has been accomplished over the years. In 2015 the congregation was recognized as a national Jubilee

Ministry for their *Loaves and Fishes* feeding ministry. Without the intervention of the devastating Camp Fire in November 2018 and the ensuing pandemic, there is a good reason to believe that St. Nicholas church would have continued to be an active small congregation.

The events that bring us to the current situation began on November 8, 2018, when the Camp Fire destroyed the town of Paradise and much of the adjoining community of Magalia (together known as “The Ridge”), where most of the members of St. Nicholas lived. Most lost their homes that day. In the diaspora that followed, the congregation saw its membership cut in half to about 30 people, who regathered for bimonthly worship held in the parish hall at St. John’s, Chico starting in February of 2019. Some of those attending traveled significant distances from where they had found temporary lodging. Over time, many would settle down in these other locations and begin attending their local Episcopal churches.

Another factor prompting this petition for change in status of the congregation is that the buildings, while they did not burn down, sustained damage from the fire and were largely unusable for over a year. By the time the buildings were ready to be reoccupied the global COVID pandemic was upon us. All these factors, together with the trauma, grief, and burnout continued to take a toll on the congregation as well as on all the residents of the Ridge.

Despite the small size of the congregation, St. Nicholas continues to have a vital role to play in the recovery of the Ridge. The Petitioner not only foresees the opportunities for ministries in our facility, but also in the larger community. Our continued worship and fellowship empower those involved in the community in developing a flourishing Ridge through civic engagement.

The repaired and refurbished buildings are a prime asset on a rebuilding Ridge, where adequate space for meeting and engaging in the work of community healing and resilience is needed. In January 2023 the congregation hosted two Kintsugi workshops (the Japanese art of mending pottery used as a form of healing art). We have already served as the location for a gathering of community leaders planning the next steps of the recovery, and we look forward to hosting a future meeting of the Camp Fire Collaborative, the official Long Term Recovery Group of the Camp Fire. We will also be a site for “Imagine You” classes for recovery from trauma. Finally, our church members themselves continue to be assets for the recovery as with the Spirit’s gifts we are empowered for the work of ministry.

The Petitioner is grateful for a rich Episcopal theology of mission that is holistic, collaborative, and ecumenical. We believe that the witness of the Episcopal Church through the worship, fellowship, and mission of St. Nicholas continues to be important to the Ridge. We also believe that being disencumbered from some of the corporate obligations of parish status will free us to pursue the mission that Christ has set before us.

The Petitioner has been without the services of a rector since January 2020 and since then has neither sought nor been in a position to seek to call a rector. The time elapsed without calling a rector is greater than the reasonable time for doing so.

The Petitioner prays that:

The Standing Committee by a majority vote, pursuant to Canon 32.12 designate Petitioner as a Mission,

The Bishop as Ecclesiastical Authority grant consent to that designation,

The Diocesan Convention act by majority vote, pursuant to Canon 32.12 to change the status of St. Nicholas Episcopal Church from parish to organized mission.

Executed this 30th day of August 2023 by The Rector and Vestry of St. Nicholas' Parish in Paradise, California

The motion was seconded and passed unanimously.

Bishop Megan called upon The Rev. Canon Julie Wakelee to present the Fearless Faith Revival, happening on from April 26-28 in 2024.

Bishop Megan called upon Mr. Martin Heatlie to present R5-2023, All Are Welcome to Receive Holy Communion
