Dear Friend,

Hello and welcome to the Recovery Ministries of The Episcopal Diocese of Northern California. I am Anne and I am an alcoholic. I have been sober for six years and am an active 12-Stepper, who is eager to spread the Good News of the transformative power of God's love through recovery.

I serve as the diocesan representative for Recovery Ministries, within the [Diocesan Partners in Health Ministry](#). The Episcopal Diocese of Northern California's Diocesan Partners in Health Ministries is led by Susan Wahlstrom, R.N. Susan is also our Diocesan Liaison to the [Recovery Ministries of The Episcopal Church](#).

I seek to connect with Episcopalians in recovery (or those who may be recovery-curious), to promote 12-Step Eucharists and the consecration and serving of non-alcoholic grape juice for alcohol-intolerant communicants. I look forward to sharing the Recovery Ministry of The Episcopal Church's resources with you and your congregation. I encourage parishes to become actively involved in supporting their clergy, lay-people, those seeking recovery, those living in active recovery and those who love people who struggle with alcoholism and addiction.

God Bless,

[The Rev. Anne McKeever](#)
