

Mental Health Resources for sharing with the Diocese of Northern California

Coping with anxiety, grief and depression in the context of COVID 19

https://greatergood.berkeley.edu/article/item/how_to_stop_feeling_so_helpless_during_quarantine

People who want more human connection and some meditation practices may want to participate in online connection sessions with grounding practices. Two resources for this are:

<https://gratefulness.org> This resource is coordinated by Brother David Steindl Rast. This website includes a Grateful Day meditation as well as practices for grateful living. The practices include material from The Little Things: A Grateful Self-Care Practice Invitation which was a facilitated practice group in May 2020.

Reimagine: Life, Loss, & Love is a series of virtual events designed to promote connection and grieve the many losses that are part of this time. Events are scheduled from May 01 – August 31, 2020. Formats include meditations, virtual workshops, storytelling, creativity and more. Content includes wellness, social justice, spirituality and movement. All events are on Zoom, with registration required.

Telemental Health aka Online Counseling

most therapists are now offering video and phone sessions. a list of clinicians can be found on psychology today <https://www.psychologytoday.com/us/therapists/ca/sacramento-county>

or here <https://sacwellness.com/remote-services/>

Two major area providers are Dignity Health: <https://dignityhealth.org/sacramento/medical-group/mercy-medical-group/services/counseling-and-psychiatry>

And WellSpace: <https://www.wellspacehealth.org/services/behavioral-health-prevention/integrated-behavioral-health>

Most treatment centers are also offering online/telehealth options. You can find these at their websites. Some examples
