**Note:**

- I. An employee is eligible to enroll in benefits if the employee is normally scheduled to work 1,000 or more compensated hours per plan year, regardless of whether they are an exempt or non-exempt employer. However, employers are not required to pay for medical and dental benefits until the employee is normally scheduled to work 1,500 or more compensated hours per plan year.
- II. Anthem and Cigna plans include preventive care, prescription benefits through Express Scripts, vision benefits through EyeMed, as well as hearing benefits. If you are enrolled in a Kaiser health plan, your pharmacy benefits will be provided by Kaiser.
- III. EAP is included with all Medical Trust medical plans (including Kaiser). It is also available for employers to purchase for employees who waive their right to medical coverage at \$4/month per family. EAP benefits extend to the employee and their immediate family.
- IV. As per our diocesan Denominational Health Plan (DHP), employers are required to pay a minimum of 80% of the lowest cost plan for both the medical and dental plans, for eligible employees. These base plans include Anthem BCBS BlueCard PPO 70 and Delta Dental Basic, as highlighted above.
