

\$100,000 Foundation Grant Fund Application

The Episcopal Foundation of Northern California has joyfully committed to continue our \$100,000 Foundation Grant program available to churches and missions throughout our Diocese in 2022.

Supporting the Diocesan mission of making disciples, raising up saints, and transforming communities for Christ, the Foundation will endeavor to enhance ministry and outreach in the Diocese in the following general categories:

Education and Formation:

Funding education programs for adults, youth, and children (such as Godly Play and Alpha); helping to provide materials for Inquirers' Classes, small group ministries, and other such programs that seek to build up the body of Christ in our individual parishes.

Technology and Communication:

A very popular grant category in 2021, these are grants for purchase of audio visual equipment, computers, and paying for technology consultants, in order to enhance the online and in-church experience of worship.

Reaching Beyond our Borders:

These grants could support action in our local communities in the way of outreach to those who need our support, as well as partnerships with other community entities to transform our communities by providing for equity, opportunity, and justice.

Foundation Grants are one-time grants; however, applicants may apply for a follow-on grant during each successive year that the grants are offered.

Matching grant requests are encouraged. The Foundation will want to know how much money has been raised by the applicant as of the date of application, and what are the applicant's plans for on-going fund-raising, if necessary to meet the ministry's goals.

The 2022 application period will run from May 1, 2022 - July 1, 2022. Please review the application instructions below. To submit your completed application and/or for questions, please email Michelle Karimi (michelle@norcalepiscopal.org).
