

Fun Things to Do in Redding

Sundial Bridge

840 Sundial Bridge Pkwy, Redding

Designed by Santiago Calatrava, the Sundial Bridge is an architectural marvel! The glass decked, cable-stayed cantilever suspension bridge reaches 217 feet into the sky, spans 710 feet across the Sacramento River, and forms a working sundial. As an environmentally-conscious structure, Sundial Bridge was intentionally constructed without river footings to leave the salmon-spawning habitat undisturbed. While world-renowned and environmentally sensitive, Sundial Bridge also inspires onlookers with its "bird in flight" design, symbolizing overcoming adversity. It takes about 15 minutes to walk across the bridge, stopping along the way to take in the beautiful scenery and watch the wildlife.

Turtle Bay Exploration Park and Museum

844 Sundial Bridge Drive, Redding

<https://www.turtlebay.org/>

Turtle Bay Exploration Park is a 300-acre campus along the banks of the Sacramento River with educational and entertaining activities and experiences that interpret the relationship between humans and nature. The Park tells the story of the region and its people through a museum that includes the Visible River Aquarium, Native American history and exhibits, interactive experiments, and changing exhibitions; wildlife exhibits; Paul Bunyan's Forest Camp; California's largest North American butterfly house (seasonal); an amphitheater; and, across the Sacramento River, the McConnell Arboretum and Botanical Gardens.

Lake Shasta Caverns National Natural Landmark

20359 Shasta Caverns Road, Lakehead, CA 96051

Daily Tours, October-March: 10 AM, 12 PM, 2 PM

<http://lakeshastacaverns.com/locationadmission/4176983>

Enjoy a scenic catamaran cruise across Shasta Lake, a fun bus ride to the cave entrance, and an information-filled tour of what some geologists consider one of the most beautiful limestone caves in the USA!

Sacramento River National Recreation Trail

<https://www.cityofredding.org/departments/parks-and-recreation/parks/parks-trails-and-open-space>

777 Auditorium Drive, Redding, CA 96001

The Sacramento River Trail, which crosses the world-famous Sundial Bridge in the heart of Redding, and the Sacramento River Rail Trail, which extends north all the way to Shasta Dam and sits alongside an historic abandoned railway, have both been designated as National Recreation Trails in the National Trail System and together make up the Sacramento River National Recreation Trail. The winding trail is popular with locals and visitors alike who want to take a casual stroll, a beautiful bike ride, or a long run. Parks, bathrooms, trailheads, and scenery along the trail make it a convenient and pleasant way to get some fresh air while enjoying Redding's famous river.
