

CONFIRMATION QUESTIONNAIRE

Bishop Megan wants to know more about you and your journey to Christ. The written word can be a powerful tool, as seen in our own scriptures. You are encouraged to write a letter to Bishop Megan in your own words, using one or more of the questions below for guidance.

NOTE: Letters are to be e-mailed to the Executive Assistant, or to be mailed to the Diocesan Office, by the rector, no less than a week before the visitation.

Tell me about your spiritual journey that has led you to confirmation.

When have you felt God's presence in your life?

What about the Bible most challenges you? Puzzles you? Encourages you?

What steps will you take to keep growing in your faith after Confirmation?

Why do you desire to be confirmed?
