The process requires the congregation to recruit a parish vitality improvement team (PVIT) to support the work of the congregation over the 3 years of the VIP project.

Will the congregation commit to recruiting a PVIT team leader and 4-6 additional team members that are representative of the congregation? (If congregational leadership does not think recruiting a team of this size is doable, please explain why, what size team would be doable, and how the congregation and its leadership would support a team of that size in accomplishing meeting the demands of the program.) \*

How will the Priest/Rector show support for and investment in the project? \*

Does the congregation agree to the \$750/yr min. requirement? \*

Yes
