

# Share with the Lord's people who are in need. Practice hospitality.

– Romans 12:13

## PROJECT (RE)START™ DISASTER ASSISTANCE

**Project (Re)Start** is an initiative by the Episcopal Diocese of Northern California to develop standardized bins containing essential household and personal goods to help victims after the initial days of a disaster. These bins are distributed free of charge to anybody who has been displaced, is establishing a household in a rebuilt residence, or has experienced forced relocation. This provides interested congregations a way to provide tangible support to victims.

### Project (Re)Start:

- Inspires congregations to join forces in the ministry
- Prepares for disaster response
- Responds to disasters in a meaningful way, with clearly identified needs
- Establishes a ready reserve of supplies without draining local resources during a disaster
- Helps those in need across the diocese

Shopping lists for each of the bin types, customizable gift cards, and labels for the bins are available from The Office of The Bishop.
